YOUR MOST RELIABLE DRILLING SOLUTION

Atlas Copco FlexiROC D50/D55 is equally at home in the quarry or the mine, with its solid combination of versatility and efficiency. With a FlexiROC, you can go anywhere since it has a low center of gravity and a high ground clearance, which gives the highest drilling economy and efficiency.

Key Features :

- Optimum combination of air flow and pressure
- Highly efficient in quarrying and mining
- High uptime due to strong parts and service network

For more details please get in touch today.

Siddhartha Construction & Engineering Works

Siddhartha Construction & Engineering works is the brainchild of our founding partner Sri R Venkata Siva Prasad Reddy driven by values of integrity, commitment and loyalty to clients.

Established in Pulivendula, Kadapa in the year 2000, we "Siddhartha Construction & Engineering Works" (Previously Siddhartha Constructions) are engaged in providing various kinds of Civil Construction and Civil Engineering Works. We offer the services as per the requirements of the clients.

We use high quality raw material throughout our service in every field as we are one of the renowned quality centric organization and quality is our prior aim. We procure the raw materials from quality driven organization that is checked at our quality inspection unit as to provide unique quality service to our esteemed clients.

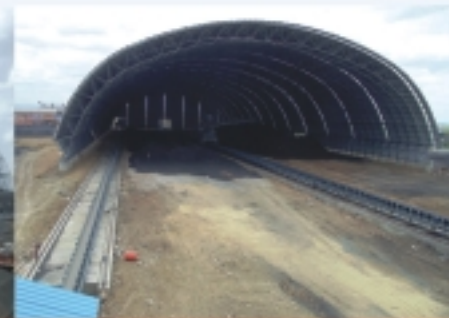

Our team of experts and professional engineering are gaining experience from past many years in the field of civil engineering. Further our team is managed and guided by our expert mentor Mr R V Siva Prasad Reddy who has achieved excellent exposure in Civil Engineering Services by providing complete client satisfaction. We use latest and high performance machinery & equipments in our services. We provide these services in various parts of the county and make a permanent relationship with our esteemed clients.

We have acquired a prime ranking amongst the top 50 companies in Andhra Pradesh. Today, Siddhartha Construction & Engineering Works is one of the most respected and renowned business entities in the market.

Backed by a talented team of professionals, we are able to provide these superior services and construction jobs to our valued clients.
