I think the environment should be put in the category of our national security.
Defense of our resources is just as important as defense abroad.
Otherwise what is there to defend?

We cannot claim to love God, if we continue to live in unclean environment and pollute the waters.
God gave man and woman the authority to rule every living creature and to safeguard the living resources.
We have a duty to perform and responsibility to fulfil this role."

A margin of life is developed by Nature for all living things - including man.
All life forms obey Nature's demands - except man, who has found ways of ignoring them.
