Sri. KNS Reddy, Convenor, MEMC Council, 2019-20 said that mining is the only industry where such forums are organised where people get opportunity for exposure to the best practices of other mines. IBM is providing a good platform for sharing the best practices.

Sri. Arpan Parekh, Vice Chairman, MEMC Council felt privileged for attending the meeting of MEMC Council. He stated that IBM and mining industry is doing a wonderful job. He appreciated the efforts of IBM and mines for taking mitigative measures against the threats to the environment. He also expressed pleasure for organising MEMC Week next year and stated that we will host next year's MEMC Week in a successful manner.

Sri. Shailendar Kumar, Patron, MEMC Council advised to conduct a Seminar for publicity of the work carried out by the mining industry and for sharing the latest developments relevant to the mining industry. He suggested it may be organised after peak production period i.e after July/August'20. Ideal time for seminar would be Sep-Oct, 2020. JSW Cements is requested to take lead for proposed seminar and one executive body should be formed exclusively for conducting the seminar.

He expressed that haul road maintenance and housekeeping needs improvement. The road graders should be used for road maintenance. He also advised that the mining engineers should be aware of details of cost of mining. All the backup data for cost elements of mining should be kept available.

The meeting concluded with Vote of Thanks to the chair by Sri. Vasanth Kumar, Asst. Manager Mines, M/s. UltraTech Cement Ltd, & Treasurer MEMC Council 2019-20.
