THE SYMBOL OF SUPREME STRENGTH

Parasakti Cement is a professionally managed organization that can produce upto 1.7 Million Tons of cement per annum. We manufacture and deliver all grades of high strength cement with consistency, making us indispensable to customers who demand both high performance and quick execution.

Designed using the most advanced and efficient dry process manufacturing and grinding technology, we ensure that every bag of cement adheres to the highest quality with consistent performance.

Our Quality Management System established in accordance with DNV-GL ISO 9001:2015 Certification standards makes our high quality products vital for key infrastructure projects like 'Nagarjuna Sagar Tail Pond Dam Construction'.

Our vast network of dealers and an efficient distribution system enables a prompt delivery to our customers across Andhra Pradesh, Telangana, Tamil Nadu, Karnataka and Maharashtra. For over a decade, Parasakti Cement has been used to build infrastructure-related and residential projects across India.

For customers seeking consistent quality, high strength and cement for special applications, Parasakti Cement is a partner you can rely on.

SUPERIOR QUALITY GUARANTEED

The advertisement features a large, white bag of Bharathi Cement as the central element. The bag has the following details: a red ISI logo with 'IS 455' and 'CML-320857' below it; a 'USE NO HOOKS' warning with a table below it; and the 'Bharathi CEMENT' logo in orange and green. The background is a composite image showing a modern city skyline with skyscrapers, a concrete bridge in the foreground, and a large dam with water cascading over it. A circular seal with the text 'SUPERIOR QUALITY GUARANTEED' is overlaid on the bottom center of the image.

● SALES ● SERVICE ● PARTS ● RENTAL

WELCOME TO JAYVEE GROUP OF COMPANIES

Jayvee Engineering Corporation is one of the leading company in the field of Earthmoving Spares parts for nearly five decades. Over the years we have built a strong reputation for providing you with the service, quality and reliability that helps keep your equipment running. We import and stock extensive range of earthmoving machinery parts, which are used in all the well-known brands of equipment such as Caterpillar, Komatsu, Volvo, Poclain, Hitachi etc. Our total commitment and 49 years experience in this line of business makes us an ideal source of procurement of parts.

Since its inception Jayvee has expanded and moved from strength to strength. Today having 20 offices spread across India with manpower of more than 150. We have fully equipped workshop and qualified Technicians to service all your needs of earthmoving Machinery i.e Engine, Transmission, Hydraulic or Undercarriage.

Through the years Jayvee has forged strong partnership with many reputed International Companies.

BLACK CAT BLADES LTD, CANADA

Exclusive Distributors of 'Black Cat Blades', a leading manufacturer of Ground engaging tools for Earthmoving Machinery parts. They are manufacturer of Cutting Edges, End Bits, Teeth, Adapters & Plow Bolts for Excavators, Dozers & Graders. Black Cat company is also O.E.M. SUPPLIERS to many reputed companies the world over.

KANTO BUHIN (JAPAN) LTD.

KBJ is one of the leading manufacturer of heavy equipment undercarriage parts with an annual production capacity of 300,000 pcs of Rollers and 10,000 pcs of Track Link parts suitable for use in Caterpillar, Hitachi, Sumitomo, Samsung, Daewoo etc. excavators and bulldozers.

HYUNDAI CONSTRUCTION EQUIPMENT (INDIA) PVT. LTD.

JAYVEE GROUP are dealer partners for HCEIPL for the West Bengal, Sikkim. Having state of art facility in Kolkata and branches at Siliguri, Durgapur, Haldia, Rampurhat etc.

MANITOU EQUIPMENT INDIA PVT. LTD.

Jayvee group is a dealer partner with Manitou Equipment India Pvt. Ltd. exclusively for backhoe loaders with most popular models for West Bengal with its Head Office located in Kolkata and branch offices at various locations in West Bengal.
